**AREA LIGHTING**

APPLICABILITY:

Applicable to outdoor lighting services where service can be supplied from existing facilities of the Cooperative.

Cooperative will install, own, operate, and maintain the complete lighting installation. Lighting will be provided nightly from dusk to dawn, controlled by photo-electric relay.

RATE:

Member shall pay Cooperative each month for such lighting service at the following monthly rates:

Metered Lights	Unmetered Lights
175 Watt Mercury Vapor \$ 2.50	175 Watt Mercury Vapor \$11.18

The monthly rate for metered lights is in addition to any kilowatt hour charges billed under the appropriate schedule. Unmetered lights will be installed at the discretion of the cooperative only when the location or cost makes the installation of a metered light unfeasible.

ENERGY COST ADJUSTMENT CLAUSE:

The above rate shall be increased or decreased in accordance with Schedule 11-ECA as it currently exists or may be amended from time to time.

CONDITIONS OF SERVICE:

The preceding rates are based upon the Cooperative installing the light on an existing pole. The member shall pay the cost of any other installations prior to such installation.

TERMS OF PAYMENT AND SERVICE:

Terms of payment and service hereunder is subject to the Cooperative's Bylaws and Policies. Payment is due as specified on the billing.
